

COURSE: Spinning & Weaving Group

TUTOR: Untutored

COURSE OUTLINE

We share a common love of natural fibres which we use in spinning, weaving, felting, knitting, crochet - creating a range of beautiful items.

WHAT YOU WILL LEARN

We have no formal tuition, however some friendly advice and tips can be offered to help you start with the equipment we have which is available for hire.

Patterns and ideas are swapped and demonstrations are held during the year.

START UP MATERIALS LIST

Unfinished work (ufo) - your own piece.

The cost for the morning is \$3 for members

To learn all about fibres and their uses, come and see what we are all about

New members are most welcome
